HOW WE APPROACH PROJECTS

AVIATION, FINANCE, PROJECT MANAGEMENT

PROCESS BOOTCAMP

We help you to challenge your processes and find faster, smoother, and more automated ways of getting things done. No matter how complex or challenging.

AVIATION, FINANCE, PROJECT MANAGEMENT

A SALESFORCE SHERPA

We offer custom development, training, and workflows tailored to your business needs.

→ Our services are designed to cater to your business requirements and deliver the best possible outcome.

SIMPLIFY & AUTOMATE WORKFLOWS

We specialize in migrating finance and accounting functions to Salesforce and have a strong partnership with Accounting Seed, operating as one of their top implementation partners worldwide.

TRAINING, SUPPORT AND MENTORING

Prodigy provides cloud maintenance and training packages that are a cost-effective alternative or support to full-time internal system admins. We offer adaptable services for a seamless journey of growth and success.
