

Personalized Solutions. Seamless Automation. Peace of Mind Dependability.

OUR SERVICES

Whether your organization needs a common source of unified data, is ready for a software upgrade, or seeks to streamline fundraising, program, service, or constituent management, we can develop solutions for you. Explore our Salesforce implementation and support services. We're here when you're ready to take the next step.

Quick-Start Services

Our quick-start implementations will get your team up and using Salesforce in no time.

Custom Applications

We'll design a custom solution that fits your unique needs and scales with your business.

Support Services

Lean on us for continuous, dedicated guidance for longer-term support and optimization.

OUR NONPROFIT SOLUTIONS

FUNDRAISING & DEVELOPMENT. Track donors, donor traits, revenue sources, or initiatives.

PROGRAMS MANAGEMENT. Magnify program impact and constituent engagement.

VOLUNTEER MANAGEMENT. Amplify volunteer efforts with organized shift assignments.

GRANTS. Simplify the delivery of outbound funds such as grants, awards, and scholarships.

MARKETING. Enhance outreach and marketing efforts.

Retail & Consumer Goods

"I couldn't imagine a better team to help us migrate from Blackbaud to Salesforce.org. Every Nimbus contact was professional, friendly, knowledgeable, and reliable. There is honestly no reason to go elsewhere for your migration and/or custom development. Thank you, Nimbus, for everything!"

Deb S., President American Behcet's Disease Association
