

REVELATION.AI

Accelerate Your Analytics

WHO WE ARE

We are a team of passionate AI+Analytics experts with years of hands-on experience designing robust data architecture and developing data-driven solutions that help you make the most of your team's Salesforce investment!

WHAT WE DO

"ACCELERATE YOUR ANALYTICS" PACKAGES

Utilizing extensive experience across the different clouds and industries, Revelation.AI has designed, developed, and standardized the solution architecture, predictive models and dashboards that meet traditional business use cases, while also allowing the flexibility to customize as needed. Each package originates from a real-life use case that delivered tangible results for the end users.

"ROADMAP FOR SUCCESS" MANAGED SERVICES

In need of long-term support or staff augmentation to help build out and implement your AI+Analytics roadmap? We'd love to work with you on a monthly basis to ensure support and resources necessary to deliver all your analytics use cases
