AN INTRODUCTION

Who we are

Simplicity+ is a trusted Salesforce partner focused on customer success by providing tailored solutions, ongoing support, user training, data analytics, and strategic planning to ensure their clients maximize the benefits of Salesforce in driving customer satisfaction and business growth.

: SIMPLICITY +

Who we are

Rebe de la Paz
Founder and CEO

Rebe is a thought leader in technology as well as community impact activist, some of her noted achievements include development of a national non-profit, Keynote speaker, Chicagoland Salesforce User Group leader, adjunct faculty at City Colleges of Chicago and a well known instructor/mentor within the Salesforce ecosystem. Her work within the Salesforce ecosystem has garnered her recognition as both a Salesforce MVP Hall of Fame inductee and Marketing Cloud Champion.

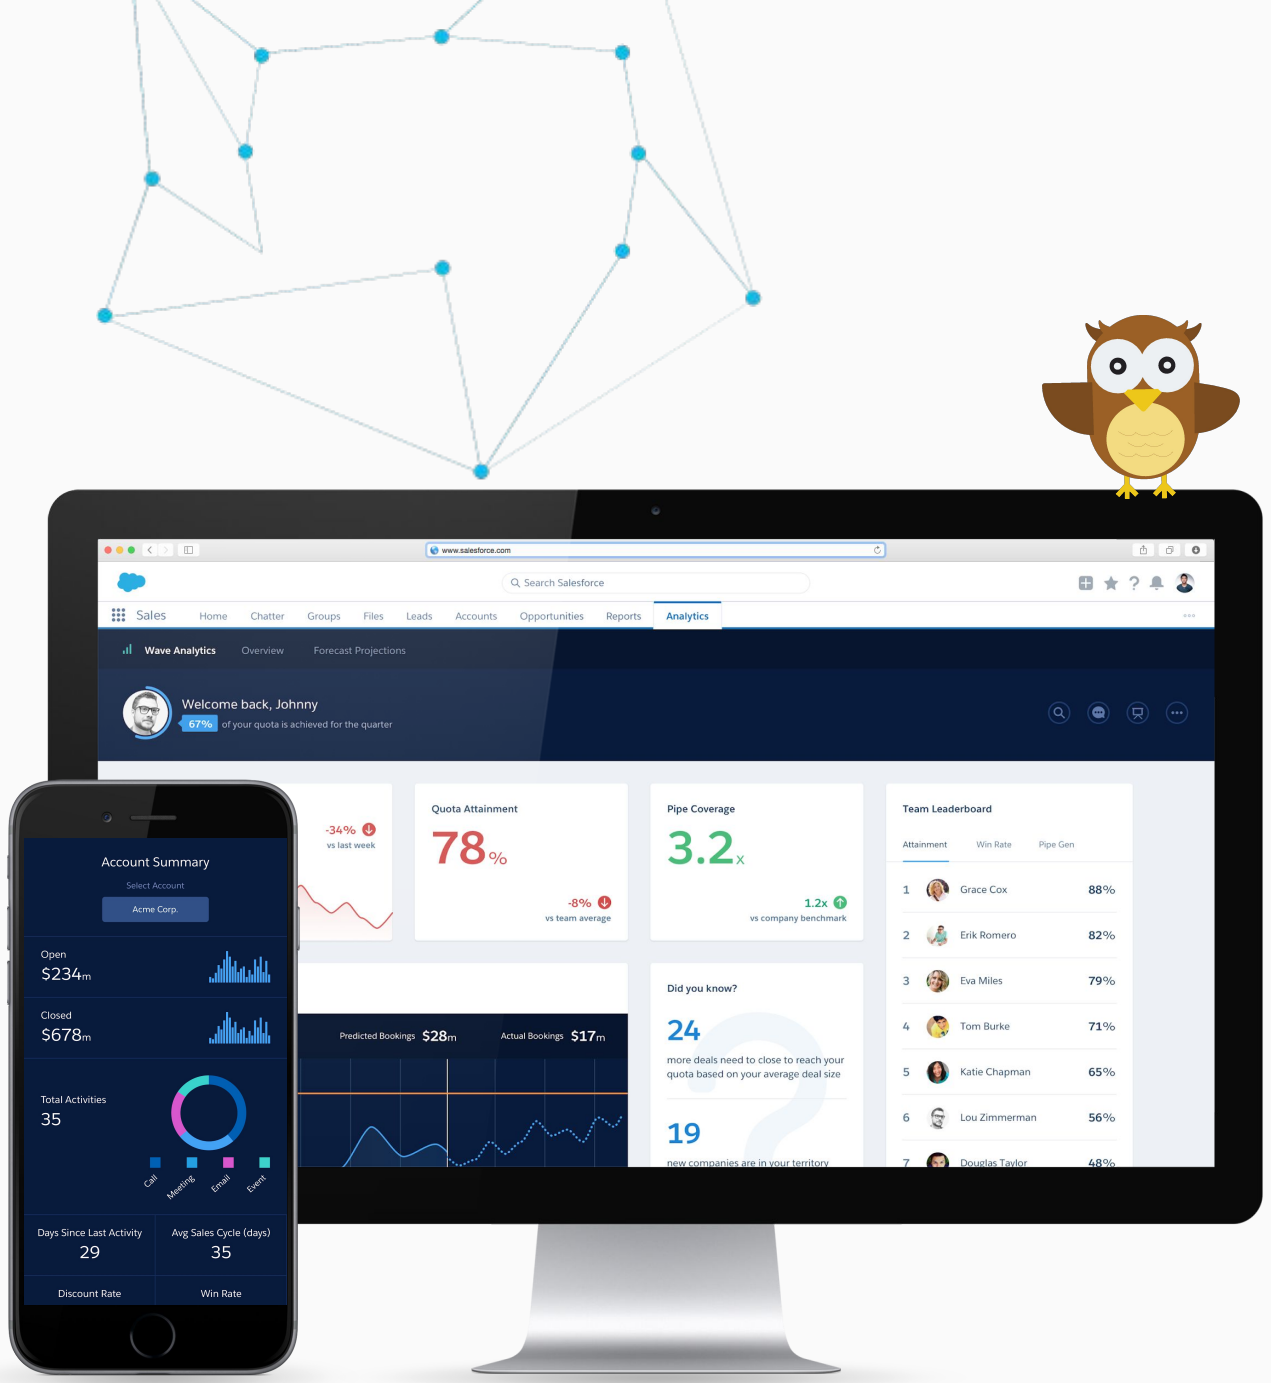

: SIMPLICITY +

Who we are

Nik Panter
COO

Nik has been in the Salesforce ecosystem since 2006, first as a consultant and architect for clients both small and large, and now as a leader in building efficient, productive, and successful delivery teams. An active member in the Ohana, Nik is a Salesforce Certified Application Architect, holds 10 certifications, and is in the Salesforce MVP Hall of Fame after being an MVP for ten years.
