## How it works / Our Approach

### • Discovery Workshop(s)

Our Salesforce experts will partner with you to:

- **Understand Your Business:** Analyze your unique processes and identify opportunities for improvement.
- **Define Your Vision:** Explore your long-term goals and aspirations for Salesforce.
- **Recommend Tailored Strategies:** Leverage our extensive experience to provide expert guidance.

### • Delivery

- **Understand the Fit:** Explore how Salesforce can enhance your business, aligning Experience Cloud with your model.
- **Configure Your Process:** Set up a customer/partner/employee portal for collaboration.
- **Hands-On Demonstration:** Experience realistic data entry for practical understanding.
- **Platform Familiarization:** Learn about communities, user/ global settings, knowledge base etc. for effective customization.
- **User Creation:** Set up users and assign roles & permissions.
- **Next Steps Preparation:** Get ready for the next phase of your Salesforce journey.

### • Key Outcome

- **Rapid Automation:** Customers, partners, and employees get connected with each other and the data they need to succeed on Salesforce.
- **Remote Access:** Empower your customers, partners, and employees to collaborate from anywhere.
- **Data Sharing:** With access to real-time data from Salesforce, enhances productivity for your customers, partners & employees.
- **Next-Level Readiness:** Prepare for advanced automation with our training and support.

## Additional Support

After project delivery (as per the opted package) is complete, Girikon will provide the following support for additional four weeks:

- Email based support
- Minor tweaks to your implementation
- Up to 2 hours of additional training time for better concept/ technology/roadmap understanding

This ensures that you find us by your side when you need. As your organization grows and evolves, your Experience Cloud CRM implementation will need to keep pace too. It will always be easy to re-initiate enhancements by partnering with someone who already has the background knowledge, context & shares the vision. Feel free to reach out anytime!
