I had the pleasure of working with Jan Brucher and his exceptional team during a critical time at Plaion. Our Salesforce Core Cloud and Marketing Cloud implementation project was facing significant challenges for the second time when we turned to Jan for assistance.

Thanks to his expertise, Jan and his team quickly brought the Marketing Cloud to full functionality, exceeding our expectations. Over the subsequent phases, they built on this foundation seamlessly, always adhering to the Pharidean motto: on time, on budget, to specs.

For over a year now, we have been highly satisfied with the results and continue to enjoy working with Jan and his team. Their professionalism, technical skill, and commitment to delivering excellence have made them an invaluable partner for us.
