

We have chosen S-Drive based on overall usability of the tool.

Would highly recommend product and team.

One of the best apps i've came across on the appexchange.

## What Our Customers Say

S-Drive support absolutely fantastic and very responsive.

Mosaik

Great Alternative for File Storage within Salesforce

ACTIAN

The support we have gotten on this is simply MARVELOUS.

S-Drive is easy to install, I'm not an IT guy by the way, and even easier to use.

365 Retail Markets

Excellent product and a relief for those working with attachments between departments.
