Support Packages

We're excited to introduce our **new support packages** - designed to provide flexible, expert assistance to your team.

Need help with **data integrations, dashboard creation, API automation, or troubleshooting**, our packages are tailored to ensure maximum ROI.

Each package can be used to cover:

- ✓ Expert QA & platform management
- ✓ Custom dashboard creation & enhancements
- ✓ API automation & optimization
- ✓ Ongoing data harmonization
- ✓ Tailored consultations and best practices

\$5,000 USD

Package 1 - 25 Hours

Ideal for clients needing light touch support for quick fixes or minor updates.

\$8,000 USD

Package 2 - 50 Hours

Perfect for clients with ongoing projects who need regular hands-on assistance.

\$13,000 USD

Package 3 - 100 Hours

For clients who need comprehensive support throughout the year.
