acceleRAte YOUR RECRUITMENT AND ADMISSIONS WITH HURON

acceleRAte is a ready-to-use solution to help institutions modernize and streamline their admissions processes - fast. Built on Salesforce Education Cloud, acceleRAte delivers the essential tools admissions teams need to manage applicants, process applications, and engage prospective students without requiring months of custom development.

WITH acceleRAte, INSTITUTIONS CAN:

MANAGE YOUR RECRUITING FUNNEL:
Guide prospective students from inquiry to application to admission.

AUTOMATE APPLICATION TRACKING AND REVIEW:
Reduce manual work and allow staff to focus on meaningful engagement.

SIMPLIFY THE APPLICANT EXPERIENCE:
Make it easy for students to apply, submit documents, and track their progress.

GAIN REAL-TIME INSIGHTS:
Improve conversion rates and strategic decision-making using data.
