“Oktana has been a great partner. They have been flexible and adaptable to our changing ecosystem. They have been able to help come up with solutions for our issues as well assist our business partners realize solutions.” - January 2024

“Oktana provides high-quality and professional services from demo design to UX/UI creation. It's been a pleasure working with them and I highly recommend them for any of your demo projects.” - December 2023

“Extremely knowledgeable in Salesforce data migration activities, very dependable and highly flexible to meet client's needs.” - November 2022

“Oktana was a wonderful partner from day 1! They really helped us scope and understand our project right from the start (...) helped us every step along the way to make sure the project was a success and that we got everything we needed to maintain the project and keep it running ourselves! The team was responsive to all our requests, always willing to help out and find a solution to any issue!.” - April 2023

“Oktana as an organization is amazing. We worked with them on two strategic events over a tight timeline with multiple review cycles. They researched our products and strategy and advised with helpful suggestions. The team is incredibly talented, agile, and a joy to work with. Cheers to the Oktana team!” - June 2023
