Lighthouse Partner Spotlight: Showoff

**Showoff holds multiple
Architect and Developer AP
certifications from Heroku.**

Together, both
companies are focused
on delivering real value
to our mutual customers.

It's more than just technology
—it's about picking up the
phone, solving problems fast,
and innovating together.

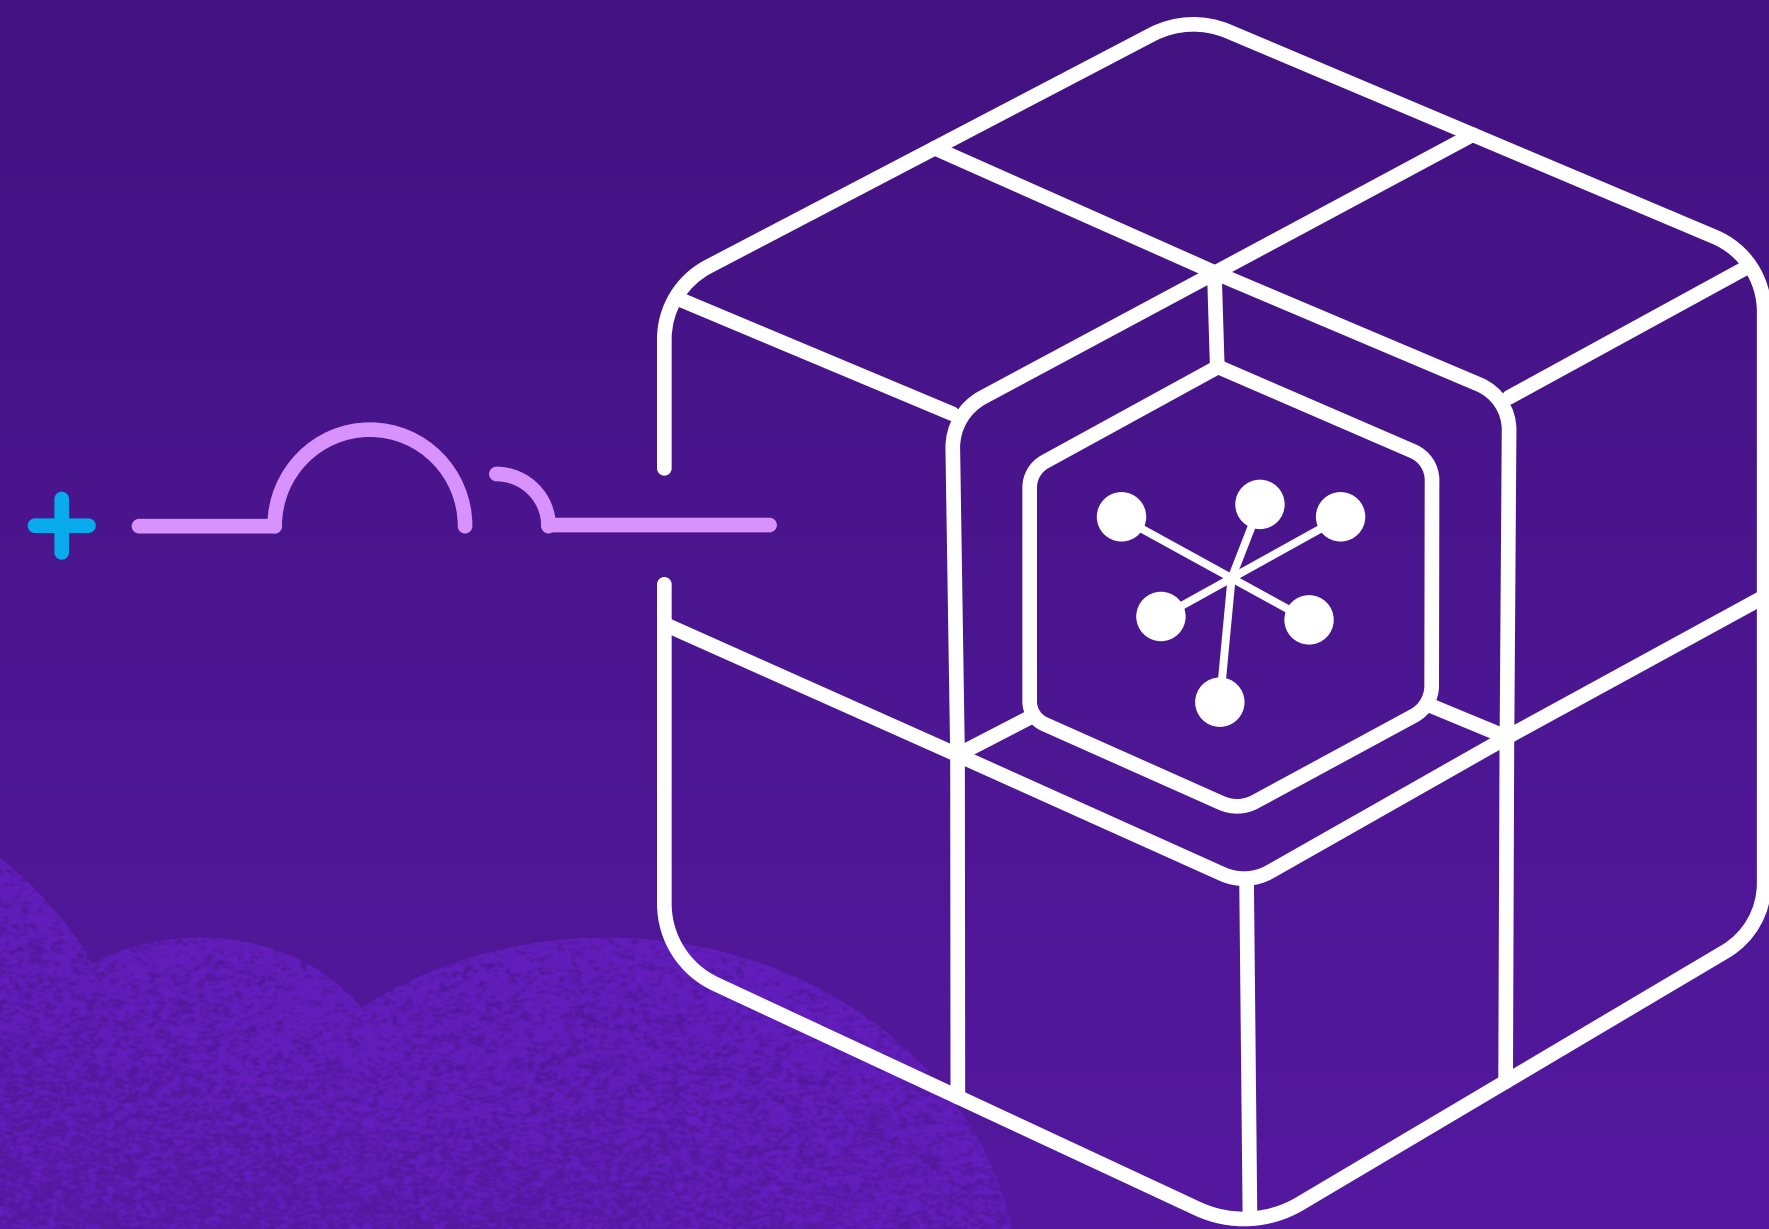

Today, Showoff supports
organizations from
startups to enterprises.

The background is a solid deep purple. It features several white line-art elements: a horizontal bar with a rounded end in the top left; a series of connected semi-circles and horizontal lines on the left side, with a small teal '+' symbol below them; a horizontal bar with a rounded end and a teal '<' symbol in the top right; a horizontal line with a semi-circle and a teal circle on the right side; and a series of connected semi-circles and horizontal lines in the bottom right, with a teal circle at the end. In the bottom left, there are several overlapping circles of varying shades of purple, and a small teal '+' symbol is placed near them.

**As they scaled, they
worked with Heroku to
effectively keep pace.**
