

# AI Agents: Pre-Built. Purpose-Driven. Performance-Ready

## Configure Agentforce for Maximum Team Impact

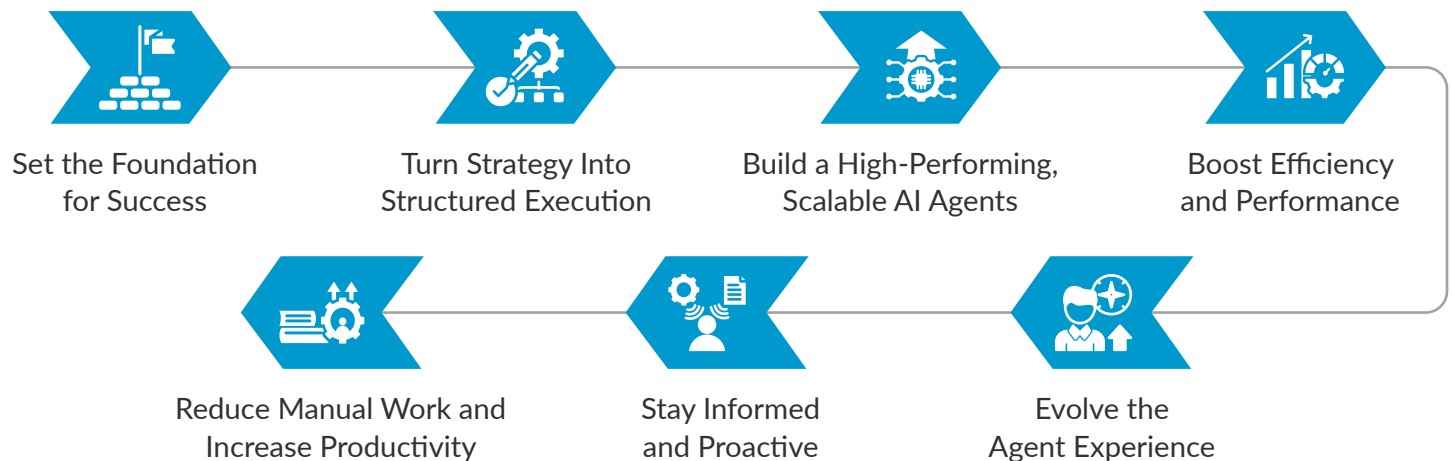

Agentforce brings the power to automate and enhance efficiency, but its true strength lies in building AI agents that are context-aware, secure, and tailored to your unique objectives.

That's where Grazitti comes in.

We build AI agents that align with your operations, plug seamlessly into your workflows, and deliver real customer impact – helping you skip the setup headaches and start realizing value, faster.

### Avoid the Agentforce Guesswork – Let's Build It Right, Together

Make agentic AI work for your business with expert Agentforce consulting, implementation, and customization.

### Meet Our AI Agents, Built for Real-World Impact

#### SKU Manager

Cleans obsolete products, identifies underperformers, and suggests cross-sell and upsell opportunities.

#### Meeting Evaluator

Auto-creates cases from Zoom meetings, generates summaries via LLMs, and manages data seamlessly.

## Sinergify Agent

Enhances automation for faster and more accurate collaboration. Integrates Jira (Core, Ops, Software, Service Desk) with Salesforce.

## Developer Admin Console Agent

Simplifies Salesforce metadata management, reducing dev effort, and enabling faster documentation and releases.

## Lead Enablement

Enhances lead management in Salesforce with centralized dashboards, enabling sales teams to prioritize and convert effectively.

## Account Segmentation

Provides sales managers with an interactive dashboard to segment accounts by growth potential and allows reps to view their assigned segments.
