Deliver qualified leads. Clear the path to close.

Power your sales team.

This Agentforce SDR takes the grunt work off your sales team's plate. It qualifies leads, drafts follow-ups, flags changes, and serves up clean, ready-to-close handovers, so reps can focus on selling, not screening. Faster ramp, better targeting, more time closing deals.

What's included?

- Embedded assistant in your sales workflow
- Custom logic for lead and deal journeys
- Agent Logic + Prompt Architecture
- Branded Agent Persona
- CRM-connected memory
- Guardrails + Fallback Behaviour
- Production Deployment*

Real Use Cases, Real Outcomes

Lead Qualifier: "Is this lead qualified?" Get an instant read on quality, status, and owner.

Outbound Assistant: "What should I say in my follow-up?" Let the agent draft tailored outreach using CRM context.

Live Deal Intel: "What's changed in this opp?" Surface blockers, updates, and next-best-actions.

Objection Handling: "How do I respond to this?" Serve up tested talk tracks, fast.

Sales FAQ: "Who owns this account?" Get quick answers on regions, tiers, owners, and more.
