

Powering a world that works

Concentrix is the global technology and services leader that powers the world's best brands, today and into the future.

We're solution-focused, tech-powered, intelligence-fueled. Every day, we design, build, and run fully integrated, end-to-end solutions at speed and scale across the entire enterprise, helping over 2,000 clients solve their toughest business challenges. With unique data and insights, deep industry expertise, and advanced technology solutions, we're the intelligent transformation partner that powers a world that works, helping companies become refreshingly simple to work, interact, and transact with. Delivering outcomes unimagined across every major vertical in 70+ markets.

176
industry awards

As the intelligent transformation partner, we bring together deep human insights, advanced technology and the expertise required for companies to move at speed, thrive in a rapidly evolving world and grow into the future.

Unique data and insight

The billions of interactions we power every year give us a unique insight into what customers want and expect—anticipating needs and revealing tomorrow's opportunities and solutions today, to drive growth and loyalty.

Deep industry knowledge

Our deep industry insight and expertise fuel tech-powered innovation to solve unique sector challenges and accelerate business outcomes across banking & financial services, technology, retail & travel, healthcare, telecom, and more.

Tech for Purpose

Our application of technology isn't just intelligent, it's responsible, safe, secure, and scalable. When implemented well, technology should feel invisible—serving your people and customers with the right solution, at the right moment, in the most efficient way.

One Partner

We're the one partner who can Design, Build and Run end-to-end solutions across the entire enterprise, at speed and scale. Solutions so seamlessly integrated within your organization that you can't even see them. But you know we're there because Things. Just. Work.

Recognized by industry experts

Awarded as a great place to work

Committed to leaving the world a better place than we found it
