

Securing Mission Systems. Accelerating ATO Approval.

Cherokee Federal delivers cybersecurity and Authority to Operate (ATO) support that enables agencies to achieve compliance, reduce risk, and deploy secure systems with confidence. Our experts streamline accreditation processes and align security frameworks to mission requirements, accelerating timelines while ensuring full regulatory compliance.

Proven Delivery Approach

END-TO-END ATO & COMPLIANCE SUPPORT

Comprehensive support across the ATO lifecycle, including FedRAMP and RFP compliance, security control implementation, documentation and authorization package development.

CONTINUOUS MONITORING & RISK MANAGEMENT

Ongoing security oversight through continuous monitoring, threat detection, incident response and risk mitigation to maintain compliance and system integrity.

ADVANCED SECURITY TESTING & VALIDATION

Vulnerability assessments and penetration testing to identify, remediate and prevent security risks across mission-critical systems.

MISSION-FOCUSED CYBERSECURITY EXPERTISE

Proven experience supporting FISMA and OMB A-130 compliance, ensuring secure system deployment aligned with federal standards. Our streamlined approach accelerates ATO approvals while maintaining the highest levels of security and compliance.

The Cherokee Advantage

Flexible award ceilings: Civilian agencies can award up to \$30M & DOD agencies up to \$100M without Justification and Approval (J&A). With a valid J&A, awards are unlimited.

Protest-proof process: Direct awards to Tribal 8(a) firms cannot be protested, ensuring disruption-free procurement.

Speed & efficiency: Accelerated timelines allow contracts to be awarded in weeks, meeting critical mission needs.

Transparent negotiations: Agencies work directly with qualified firms, aligning cost and performance in real time.

Teaming & collaboration: Our family of companies combines expertise across multiple fields, creating tailored, innovative solutions that drive mission success.
