

Free Salesforce Tech Assessment

At Canvas Cloud, we use cutting-edge technology from Hubbl Diagnostics to give you a fast, secure snapshot of your Salesforce environment so you can understand what's working, what's not, and where to go next.

This free Salesforce tech assessment (\$2,500 value) provides the most comprehensive view of your Salesforce health, complexity, and utilization.

- ✓ Get started in minutes
- ✓ Easily share results with partners
- ✓ No installation required
- ✓ No customer data is ever accessed
- ✓ Review with Canvas Cloud CEO
- ✓ Identify optimization opportunities
- ✓ Get a clear action plan
- ✓ No obligation, just insights

How it works

1

We send your Salesforce admin a scan request via email

2

You review instructions and grant us access

3

The scan of your Salesforce Org will automatically begin

4

We will contact you to set a time to review your results
