OUR INDUSTRY PLAYS

Salesforce Solutions Built for Your Industry

Retail & B2B Commerce

THE CHALLENGE

Spaghetti architecture, complex partner onboarding, supply chain disconnect, retail execution without data, and commercial blind spots mean nobody fully understands the landscape.

SALESFORCE SOLUTIONS

Revenue Cloud · Sales Cloud · Service Cloud · Commerce · Data Cloud · MuleSoft · Agentforce

WHAT WE DELIVER

Full orchestration of the B2B commercial lifecycle. Single unified view of every account. Real-time performance data connected to actionable insight. Scalable multi-cloud architecture. Account Health, B2B Self-Service, and Order Exception Agents.

Healthcare & Care

THE CHALLENGE

Manual intake processes, fragmented client records, scattered compliance documentation, invisible revenue leakage, and no operational intelligence mean coordinators spend more time on admin than on care.

SALESFORCE SOLUTIONS

Service Cloud · Health Cloud · Data Cloud · Experience Cloud · MuleSoft · Agentforce

WHAT WE DELIVER

Streamlined intake managed digitally end to end. Unified client record accessible to every carer and coordinator. Compliance reporting from live data. Intake, Care Plan, and Scheduling Agents.

Staffing & Recruiting

THE CHALLENGE

Fragmented candidate data, unreachable talent pools, no campaign attribution, invisible commercial performance, and no platform for scale mean thousands of candidates sit in pools no one is actively managing.

SALESFORCE SOLUTIONS

Marketing Cloud Next · Sales Cloud · Data Cloud · Service Cloud · Agentforce

WHAT WE DELIVER

Automated talent journeys running without manual input. Personalized communication at scale across all divisions. Real-time marketing performance connected to recruitment outcomes. Sourcing, Onboarding, and Candidate Nurturing Agents.
